

## **SECURITY PROCEDURES**

At SMG, our highest priority is to create a safe and secure environment for all guests and employees. In order to provide an environment where our guests can safely enjoy the event, security personnel will conduct security checks as deemed necessary. These checks could include the use of wands and the search of jackets, clothing, bags and other items. Patrons should plan to arrive early in order to avoid standing in long lines.

### **Security rules and procedures are as follows:**

- Upon arrival, patrons will be asked to remove items like cell phones and metal objects that could set off the alarm.
- Security will use handheld metal detectors for all patrons upon entry into the show floor.
- Guests are subject to random bag checks.
- Backpacks and bags larger than 12-by-6-by-12 inches are not permitted into the show floor. Guests can either return the bag to their vehicle or check it at the bag check area by the ticket booth and claim upon leaving the event.
- If prohibited items are found during a search, the guest will be permitted to return to their vehicle with the item, or the item will be confiscated.
- The facility will not safeguard any personal belongings or items of any type.
- SMG management has the sole right to determine the type of pre-event screening.

### **Guests may not bring the following items:**

- Outside food or beverages.
- Alcohol of any type.
- Animals, with the exception of service animals as defined by the American with Disabilities Act (ADA).
- Hoverboards.
